(Please keep this page for your reference)

WELCOME TO GRACE PLAYSCHOOL!

GRACE PLAYSCHOOL has offered quality services for young children for more than 20 years. The goal of our curriculum is to introduce children to a variety of experiences through which they will learn life skills in an enjoyable Christian atmosphere. Among activities offered are stories, games, arts and crafts, science, outdoor activities, and field trips within the community.

Three year-olds are introduced to academic concepts, and in the four and five year-old classroom there is more emphasis on preparing young children for their kindergarten experience.
